RE: DOCKET NO. 98N-1265 US. CITIZENS
REMEMBER

I send this letter as a consumer of healthcare services to register my concern and disapproval of the Memorandum of Understanding as published by the FDA on January 21, 1999.

In its present form, the MOU, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of the physicians and patients to obtain healthcare products from the provider of their choice. It also infringes on the rights of compounding pharmacists to serve the public's medical needs. 6524 99 JUL 22 10 16
As a healthcare consumer, there should be no restrictions to the delivery of a compounded medication prescribed for me, regardless of where I may live or may travel. The MOU must be amended!

Signed: Rita Bernstein

State of Residence: Florida

Comments: I cannot get a compounded prescription
I need in the state of Florida. I must
go out of state. PLEASE DO NOT
RESTRICT MY RIGHT TO OBTAIN WHAT
I NEED.
